Introduction

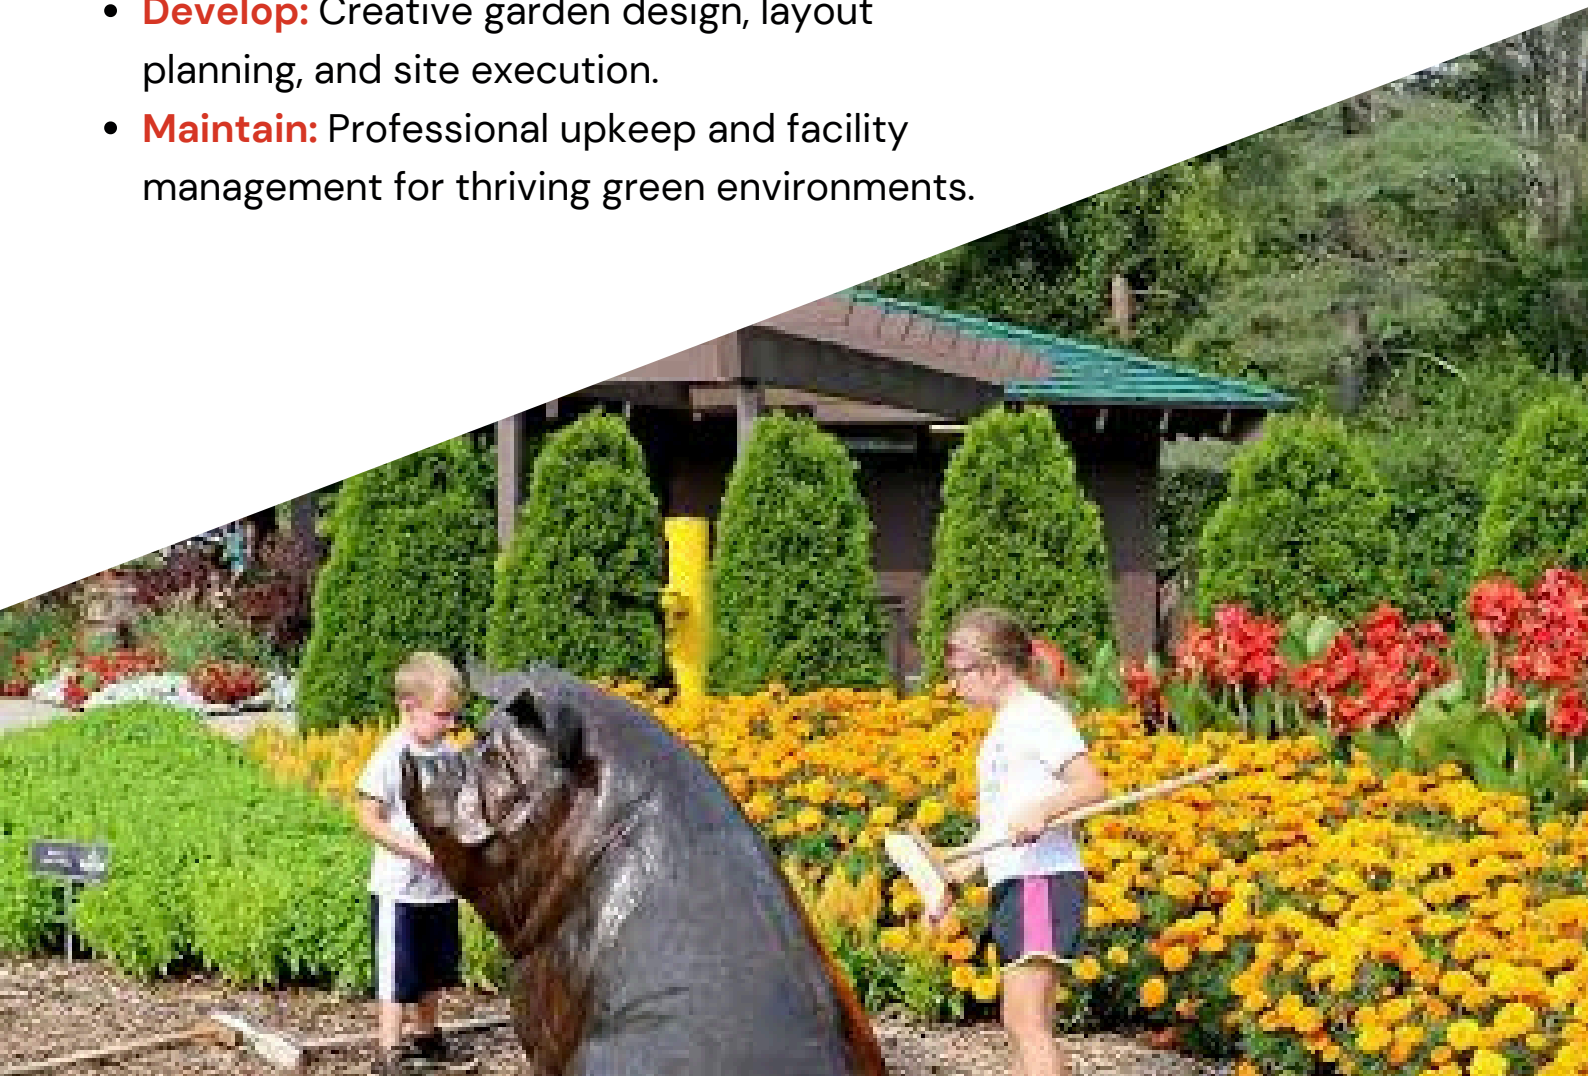

Sai Plantation & Nursery is a premier horticulture management company **established in 2009**.

Backed by our own nurseries and a team of over 150+ professionals, we specialize in transforming residential and commercial spaces through our three core pillars:

- **Supply:** Bulk provision of grass turf, trees, ornamental plants, seasonal flowers, pots, and FVB materials.
- **Develop:** Creative garden design, layout planning, and site execution.
- **Maintain:** Professional upkeep and facility management for thriving green environments.

Case Studies

➔ Challenge

The client needed rapid, high-volume material procurement (grass, trees, and ornamental plants), professional garden design that aligned with corporate architecture, and a reliable maintenance framework to keep the property pristine without disrupting daily business operations.

➔ Results

Successfully delivered a vibrant, sustainable, and aesthetically captivating corporate landscape on schedule, backed by seamless ongoing maintenance and complete client satisfaction.

➔ Solution

Sai Plantation & Nursery deployed its integrated Supply, Develop, and Maintain model:

- **Supply:** Delivered bulk grass turf, trees, ornamental plants, pots, and FVB directly from proprietary production facilities.
- **Develop:** Executed creative garden design and site landscaping using an expert team.
- **Maintain:** Deployed trained professionals for continuous, long-term facility green upkeep.
